## ***Management Discussion and Analysis***

### **Description of our Business and Operations**

Gokul Solutions Limited was established under the Companies Act, 1956 on July 25, 2008 having its registered office in the state of West Bengal.

The Company is prominently engaged in trading and distribution of sarees and other commodities in the textile market. Additionally, the Company has also ventured into embroidery on sarees, cotton and silk cloths. Our Company supplies entire range of sarees and other dress materials and apparels and we use creativity, market intelligence and industry experience to select apparels to suit the dynamic needs of young generations. The Company predominantly caters to Kolkata and nearby markets.

Our Company is prominently engaged in the textile market. A dedicated team keeps a close eye on the consumers' preference and change in the fashion and taste of the consumers in textile industry.

Defining fashion and making it a fusion of the traditional attires with a modern look has been our mission. We are playing an important role in the industry by giving a new dimension to fashion and help it escalate.

### **Sourcing the material**

Based on the changing trends in fashion industry, we explore the various options for sourcing the products. Our Company has always maintained a healthy relation with the vendors. The selection of products and vendors is done by our Company based on the quality of products, current fashion trends, cost of the products, and capacity, credibility, quality awareness and experience of vendors.

Our Company also has a dedicated marketing team, which constantly stays in touch with retailers of sarees and other fabric products. The marketing team showcases samples, collects purchase orders and build delivery schedule.

### **Competition**

We operate in an industry which faces intense competition from established as well as unorganized players. Our competition depends on several factors which include quality, price and most importantly our ability to meet the changing trends in fashion industry. Defining fashion and making it a fusion of the traditional attires with the modern look provides us edge over our competitors. Our dedicated design and marketing teams help us in maintaining a healthy relationship with vendors and retailers in Kolkata and nearby territories.

### **Working Capital**

Our business requires a substantial amount of working capital. Significant amount of working capital is required to finance the purchase of products and fabric for embroidery unit. In addition to that, our working capital comprises of receivables from our debtors. Our working capital requirements increases just before the festive season get started in order to store more varieties products/clothing.

Our working capital requirements may increase if, in certain contracts, payment terms do not provide for advance payments to us or if payment schedules are less favorable to us.

## **Industry**

The Indian textiles industry, currently estimated at around US\$ 108 billion, is expected to reach US\$ 223 billion by 2021. The industry is the second largest employer after agriculture, providing employment to over 45 million people directly and 60 million people indirectly. The Indian Textile Industry contributes approximately 5 per cent to India's gross domestic product (GDP), and 14 per cent to overall Index of Industrial Production (IIP).

The Indian textile industry has the potential to reach US\$ 500 billion in size according to a study by Wazir Advisors and PCI Xylenes & Polyester. The growth implies domestic sales to rise to US\$ 315 billion from currently US\$ 68 billion. At the same time, exports are implied to increase to US\$ 185 billion from approximately US\$ 41 billion currently.

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players into the Indian market. The organised apparel segment is expected to grow at a Compound Annual Growth Rate (CAGR) of more than 13 per cent over a 10-year period.

## **Internal Control System and their Adequacy**

The Company has a proper and adequate system of internal control commensurate with its size and business operation to ensure timely and accurate financial reporting in accordance with applicable accounting standards and compliance with all applicable regulatory laws and Company policies.

## **Human Resources**

The Company has both skilled and unskilled workers. The Company takes requisite steps to impart training to the unskilled workers based on their individual needs to enhance their performance.

## **FINANCIAL REVIEW 2016-17**

## ***INDEPENDENT AUDITORS' REPORT***

### **To The Members of GOKUL SOLUTIONS LIMITED**

We have audited the accompanying standalone financial statements of **GOKUL SOLUTIONS LIMITED (the Company)**, which comprise the Balance Sheet as at 31st March, 2017, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### **Management's responsibility for the financial statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the Audit Report under the provisions of the Act and the Rules made there under.

We have conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31<sup>st</sup> March 2017 and its profit and its cash flows for the year ended on that date.

## **INDEPENDENT AUDITORS' REPORT**

---

To the Members of **GOKUL SOLUTIONS LIMITED**

### **“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF GOKUL SOLUTIONS LIMITED**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **GOKUL SOLUTIONS LIMITED** (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

## **INDEPENDENT AUDITORS' REPORT (contd.)**

---

To the Members of **GOKUL SOLUTIONS LIMITED**

### **“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT (Contd.)**

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **NOTES TO ACCOUNTS**

### ***1. System of Accounting:***

The Company follows mercantile system of accounting and recognizes income and expenditure on an accrual basis. Financial Statements are prepared under historical cost convention, in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) and comply in all material aspects, with mandatory accounting standards as notified by the Companies (Accounting Standard) Rules, 2006, relevant provisions of the Companies Act, 2013. The significant accounting policies followed by the management are set out below. Management has made certain estimates and assumptions in conformity with the GAAP in the preparation of these financial statements, which are reflected in the preparation of these financial statements. The difference between actual results and estimates are recognized in the period in which the results are known.

### ***2. Revenue Recognition:***

Revenue is recognized on transfer of all significant risks and rewards of ownership in the buyer. Domestic sales are accounted on dispatch of products to customers and export sales are accounted on the basis of dates of bill of lading, Export incentives / interest income and income on investments are accounted on accrual basis.

### ***3. Fixed Assets, Capital Work-in-Progress and Depreciation :***

#### ***a. Fixed Assets :***

Fixed assets are stated at cost of acquisition or construction less depreciation. Cost comprises the purchase price and other attributable costs, including interest and finance costs incurred till the asset is commissioned.

#### ***b. Capital Work-in-Progress:***

Capital work-in-progress includes the cost of fixed assets that are not ready for their intended use and is stated at the amount expended till the date of Balance Sheet.

#### ***c. Depreciation :***

Depreciation on assets has been provided based on useful lives prescribed in Schedule II of the Companies Act, 2013 on written down value basis.

Depreciation for additions/deletions from fixed assets is calculated on pro rata basis.

Depreciation on assets has been provided based on useful lives prescribed in Schedule II of the Companies Act, 2013 on written down value basis. However, in respect of the following asset categories, the depreciation is provided based on useful lives being different than as prescribed in Schedule II.

The company has carried out assessment of useful lives of these assets and based on technical justification, different useful lives have been arrived at in respect of above assets. The justification for adopting different useful life compared to useful life of assets provided in Schedule II is based on the business specific environment & usage, consumption pattern of the assets, past performance of similar assets and peer industry comparison duly supported by technical assessment by a Chartered Engineer. Leasehold land is amortized over the period of lease. Software is amortized over a period of five years. Depreciation for additions to/deletions from fixed assets is calculated on pro rata basis.

### ***4. Inventories :***

Inventories are valued at the lower of cost or net realizable value. Cost of inventories comprises all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on Weighted Average Method.

## **5. Taxation :**

Income tax comprises current tax and deferred tax charge or release. The deferred tax charge or credit is recognized using current tax rates. Deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future. Such assets are reviewed as at each Balance Sheet date to reassess realization.

## **6. Foreign Exchange Transactions :**

Transactions in foreign currency are recorded at exchange rates prevailing on the dates of respective transactions. The difference in translation and realized gains and losses on foreign exchange transactions are recognized in the Profit and Loss Account.

## **7. Employee Benefits :**

Short-term employee benefits (i.e. benefits payable within one year) are recognized in the period in which the employee service is rendered.

Year's accrued liability on account of leave encashment benefits payable to employee under defined benefit plan is ascertained on the basis of actuarial valuation made on the Balance Sheet date and provided in the accounts.

Contributions towards provident funds are recognized as expense.

Contribution to Provident Fund is made to the office of the Employees' Provident Fund Commissioner, under Employees' Provident Funds and Miscellaneous Provisions Act, 1952.

## **8. Borrowing Cost :**

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of cost of such assets till such time as the assets are ready for their intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as expenses in the period in which they are incurred.

## **9. Provision and Contingent Liabilities :**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

## **10. Impairment of Assets :**

The carrying amount of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss will be recognized wherever the carrying amount of an asset exceeds its recoverable amount. A previously recognized impairment loss is further provided or reversed depending on changes in circumstances.

## **11. Earnings per Share :**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity share holder by the weighted average number of equity shares outstanding during the period. Weighted average number of equity shares outstanding during the period is adjusted for events of bonus share. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity share holders and weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

## **12. Leases :**

Operating lease payments are recognized as expenses on a straight line basis over the term of lease.
